## LINCOLN EASILY DEFEATED RIVAL

Coast Bantam Outpointed Veteran at Every Angle of the Mitt Game.

George H. Kelly, that dean of Arizona boxing fame, writes that Ralph Lincoln, the California crack, easily defeated the best efforts of Bobby Burns when the two boxers met for the third time at Nogales, last Saturday afternoon. Lincoln won nine of the ten rounds, Burns taking one. The largest crowd of fans that has yet turned out in Nogales witnessed the contest and applauded the brilliant little coast crack.

Lincoln is a strong, tough boy but it was the fact that he was the victor over Burns that was the main thing. Mr. Kelly, who is the manager of the California team, writes that he is returning the victor to his home.

Lincoln only weighed 117 pounds, but Burns tipped the scales at 125. The bout was fast throughout, and while he is no match for the California team.

May Come To El Paso. Just what the plans of manager Earl Moran concerning the bringing of Lincoln to El Paso are not known here, but he is anxious of obtaining a contest in El Paso with either Gundy or one of the Fayo boys.

## CORDOVA WILL MEET DENVERITE

Hard Hitting New Mexican Scrapper Will Clash With Carl Makey.

Albuquerque's fast lightweight contender, Benny Cordova, will be availed of an opportunity to add a victory to his record over one of the fastest boys of the middleweight division after the Colorado lightweight champion, Makey, has arrived in Albuquerque and is training hard for the contest, it is said. He has met and defeated a host of good boys and is a slight favorite over the New Mexican mixer to win the battle. Benny is not worrying over this fact, however, but intends to step in and win from the first round.

Boxing bouts in Albuquerque are being staged under the auspices of the central labor congress of that city and inasmuch as the pastime has the backing of union labor it is virtually certain that a big crowd of fans will see the two lightweights in action. Labor day is being made the occasion of a big celebration in the New Mexican city, and there will be a number of other amusements besides the boxing bouts.

All four principals in the preliminary bouts are said to be fast and snappy and the bouts should be good ones.

## TY COBB AGAIN LEADS HITTERS

Georgia Peach in No Danger; Eddie Roush Going Strong in National.

Chicago, Ill., Aug. 29.—Ed Roush, one of the batting stars in Cincinnati's pennant drive, is hitting with the batting champion of the National league. Ty Cobb is leading the league in batting averages, released today show he is tied for second place with an average of .326, with "Garry" Cragg, manager of the Philadelphia club, topping the league with .324.

Cobb is on a war. With the close of the season a month away, Ty Cobb is in no apparent danger of being dethroned as the champion batter of the American league. The Detroit star is safely in the lead with an average of .330.

Roush is in a record. "Babe" Ruth, the sensational slugger with Boston, who is striving to break the major league home run record of twenty-five established by Babe Ruth, of the Washington Nationals, has hit twenty-five home runs in his last six games. Ruth also has scored a total of eighty runs in 105 games.

## BOSTON BOXER DEFIES ORTEGA

Manager Leo P. Flynn Is Anxious That Everyone Know About McGaughey.

Leo P. Flynn, manager of Mike McGaughey, the "Irish middleweight champion," is anxious that everyone know about McGaughey. The fight occurred in Boston some time ago and, as Ortega returned to the western slope and made numerous claims as to the weight of his opponent in the heat city, Flynn has prepared an open letter to the boxing fans giving a description of the first encounter between the two men.

The letter as received by The Herald is as follows: "Dear Sir: I am writing to you to let you know that I am the manager of Mike McGaughey, the Irish middleweight champion. I am anxious that everyone know about McGaughey. The fight occurred in Boston some time ago and, as Ortega returned to the western slope and made numerous claims as to the weight of his opponent in the heat city, Flynn has prepared an open letter to the boxing fans giving a description of the first encounter between the two men."

## Frankie Manilla Is After Contest

Following the example of Eddie McGeer, once a leading contender for the middleweight title of America, Frankie Manilla, who also strove for the same title, and with no more success than McGeer achieved, now is battling successfully on foreign soil. Late advice from Australia is to the effect that Clabby recently won a twenty round bout from Fritz Hollman, who was a formidable opponent of Les Darcy when that boxer held the middleweight title of the antipodes. The bout between Hollman and Clabby was a big one and the men have been rematched. The same advice recount the victory of Tommy Urquhart, welterweight and middleweight champion of Australia, over Barney Thompson, in the Sydney stadium.

## Shanks May Meet Fitzgerald Again

Fans are being made by Lieut. Frank Shanks, of the Fifth Cavalry, to rematch Kid George Shanks and Jack Fitzgerald as the semifinal contest to the second meeting between Shanks and Fitzgerald. Fitzgerald, through his manager, notified Lieut. Shanks Friday afternoon that he desired a main event, but as a headliner would not be justified in his case, as a result of his poor showing in the first round of the last meeting, there is little reason to believe that he will get it. Shanks will meet Fitzgerald in the semifinal, and if the bout is a draw they can be signed for a final. He says it will put him a draw, however, judging from his work in the last contest it will not be.

## Leonard to Meet Scrappy Tendler

It looks now as if the much talked about match between champion Benny Leonard and Lee Tendler, the crack lightweight, Philadelphia, may be fought after all at one of the baseball parks in Philadelphia on or about Sept. 22. Phil Glazman, manager of Leonard, has agreed to talk over the match with Billy Glazman, manager of Leonard, and an anxious to see the match for his own sake. It is likely to give Leonard a good workout, and it is expected to draw a big crowd, as the fight fans of Philadelphia and all through Pennsylvania are willing to pay any price to see these two stars clash.
